FRCS Regional Transportation School Year 2010-2011 Registration to Begin March 2010

Yes, it's that time already! It is time to start planning and organizing the Regional Transportation program for School Year **2010-2011**, eight (8) registration fairs will take place during the months of March and April, the schedule of dates and times are listed below, the deadline for **2010-11** transportation registration is **Friday, April 30th, 2010**.

Seats on the Regional buses in **2010-2011** will be open and available to **all** FRCS families, current and new. It is very important to register promptly as seats on the buses are filled very quickly, seats are limited and assignments will be made on a First Come, First Serve basis, Student's must be accepted and enrolled prior to registering for transportation. An offer of enrollment does not guarantee transportation.

A Note to Families of Current Bus Riders:

It is very important to register promptly as **a seat on the bus this year will NOT guarantee a seat on the bus next year.** If you currently participate in the Regional Transportation program eligibility for 2010-2011 registration is contingent upon this year's Transportation fees being *current*. Past due accounts will **not** be eligible to register for 2010-2011 transportation, Account Status Letters mailed home on January 31st must be submitted with your registration documents to reserve seats for next year.

Please check back frequently for updates, information and updated forms. The Registration forms for 2010-2011 will be available in the Main Office for pick up, at the scheduled fairs and available for download on the schools website beginning **Monday, March 1st, 2009**, **Forms may only be submitted at the scheduled Open Houses or by appointment, registration receipts will be provided upon submission of complete forms.** **Transportation registrations submitted via mail or hand delivery will be returned.** Transportation registration deadline is **Friday, April 30th, 2010** to register after the deadline date of enrollment proof must be provided. For questions regarding the Transportation Program, please contact Laurie Gibbs via email at lgibbs@foxboroughrcs.org.
