

Congratulations to the FRCS Graduating Class of 2009

Last week, our seniors wrapped up their high school careers with a flurry of activity. From finals and the honors banquet in late May to the class dinner, senior breakfast, and of course, graduation last week, our graduates have been very busy! As they embark on their post-FRCS paths, I want to wish them a very happy, healthy, and successful journey.

Our goal here at school has been to prepare them well to meet the challenges that will no doubt face them in the very near future. We have stressed achievement, discipline, hard work, and accountability through our academic program. We have also stressed positive ethical, moral, and civic values, preparing them to serve their community as leaders and contributing citizens. And finally, we have stressed that our school is a family, that we are always here to provide guidance and support, and that we will always provide a place where they can call home.

Congratulations graduates!!

FRCS Students Inducted into National Honor Society and Spanish National Honor Society

The National Honor Society and Spanish National Honor Society are the premier organizations recognizing student achievement. These societies are founded on four central pillars: Leadership, Scholarship, Character, and Service.

A faculty council selects young adults to be inducted into these organizations based on these four criteria. Once a member, all are expected to continue to demonstrate these attributes both in and out of school by engaging community service programs and other leadership opportunities.

Congratulations to the following students who were inducted during the Honors Ceremony!

National Honor Society 2009

FRCS Faculty Council: Andrew Lay (Advisor), Sam Guptill, Sue Kraus, Larry Loughran, and Bob Vierling

Inductees:

Victoria Wagner	Angela Servello	Ashley Peterson
Anna Civitarese	Jessica Oulton	

Spanish National Honor Society 2009

FRCS Faculty Council: Annie Azaragoza (Advisor), Mike Alger, Jennifer Duncan, Cecilia Rose, Linda Walling, and Kate Ziegler

Inductees:

Alexandra Baker	Victoria Wagner	Aadil Sulaiman
Anna Civitarese	Jessica Oulton	Ashley Peterson

Congratulations!

Parent Volunteers Recognized at Annual Appreciation Breakfast!

This morning, FRCS faculty and staff recognized our parent volunteers for their tremendous contributions to the school.

The research is quite clear that a positive home-school partnership is essential for student success. Throughout the year, parents and guardians provide significant support to the learning environment here at FRCS, serving as room parents, assisting with communication (Friday folders, emails, newsletters, etc.), participating on one or more of the various committees which help drive the goals of the school, directing fundraising activities, and contributing in many other ways.

We are all very grateful for your support, efforts, and enthusiasm! Thank you, thank you, thank you!

FRCS Teams Ready for June Relay for Life to Raise Money and Awareness for Cancer

As a reminder, the Relay for Life for Greater Foxboro will be held at Gillette Stadium on June 19-20. We again will be sponsoring teams and providing volunteers to make this year the best ever. In addition, our June Spirit Day donations have been dedicated to the Relay and the wonderful work accomplished by the American Cancer Society.

It is not too late to donate or to become involved. If you would like to contribute to this cause, please submit donations to the front office. We will submit all money to the Cancer Society at the Relay. If you would like to walk, please see Nancy Sepe at the school to register and then join us out at the FRCS campsite at the Stadium! Thank you for your support!

Look for School Information on the Website and Through Upcoming Summer Mailings

As the current year comes to a close and we gear up for the new school year, informational packets will be mailed throughout the summer. Please look for the following:

July Mailing

- Final 2008-2009 Report Cards
- Summer Reading List
- 2009-2010 Student Information Form
- 2009-2010 Carpool Request Form

August Mailing

- 2009-2010 Class Assignments and Schedules
- Health and Medical Form

Additional information and forms will be posted on the school's website and will be referenced in the mailings rather than be included as hard copies. An additional packet of information will be sent home on the first day of school.

Please Remember Medication Pick-Up

Please remember to pick up your child's medication on or before the last day of school. Medication will only be given to an adult. Any medication that is not picked up will be discarded, as it cannot remain here over the summer.

If your child will need any medication next school year, including Tylenol, cold medicine or other over the counter medications, please deliver the medication, physician's order, and parental permission when school starts.

Have a Happy and Safe Summer

This is the last official *Digest* of the year. On behalf of the faculty and staff at FRCS, we wish you all a happy and safe summer break with your families! See you next year!

- Mark Logan, Executive Director
