

PHYSICAL EXAM REQUIREMENTS

August 3, 2009

Dear Parents/Guardians,

A physical examination report is required and due for all students entering grades Kindergarten, Grade 4, Grade 7, and Grade 10, as well as for any new student entering Foxborough Regional Charter School. A physical exam performed within one school year is acceptable. If you have not already submitted a copy of your child's current physical exam report to the school nurse, please do so before the start of the school year. This will update your child's health record and ensure compliance with the Massachusetts Department of Public Health. If you have any questions, please contact the school nurse's office, so that we may assist you in meeting these requirements.

Thank you for your attention to this matter.
