***All hard covered books will need to be covered in second grade. We have 3 hard covered books. You may use brown paper bags but those who prefer to purchase the stretchy ones may do so. The books being covered are 8 ½ X 11 inches, do not purchase size small they do not fit the books. Please do not get book covers that are adhesive because they ruin the books.

We look forward to seeing you in September!!

Have a great summer!!!!
