January 8, 2010

Dear Parent,

The Foxborough Regional Charter School would like to extend your child the opportunity to apply for our 2010 English Language Arts MCAS preparation program. Our MCAS prep program is designed for students that are struggling in ELA and need additional support to achieve proficiency.

Administrators

Executive Director

Ron Griffin
Director of Teaching
and Learning

Dawn Hall
Director of Students
and Families

Heidi Berkowitz
Director of Outreach
and Development

Edward Lucy
Director of Operations

Students in this program will receive explicit, small group instruction in the weeks leading up to the English Language Arts MCAS test: February 1, 2010 – March 22, 2010. The MCAS preparation program will run after school from 3:15pm to 4:15pm. The program offers two sections, one that meets on Mondays & Wednesdays and a second that meets Tuesdays & Thursdays. Instruction will be focused on closing content knowledge gaps as well as improving test taking skills that will help your child achieve proficiency.

All students are welcome to apply for a slot in this program; however the program is specifically designed to support students that are currently struggling in English Language Arts, with an emphasis on review and skill reinforcement. Students will be selected based on their current academic needs, as determined by our Instructional Leaders and teachers. If you would like to apply for a slot in this program, please complete the attached application form and submit a hard copy to the FRCS main office OR email a digital version to Mary Turkington (mturkington@foxboroughrcs.org). The deadline for registration is: January 21, 2010. If you have any questions regarding this program, please contact the English Language Arts office at: 508-543-2508, extension 276.

Sincerely,

Ron Griffin
Director of Teaching & Learning

Karen Daley
ELA Instructional Leader
