

**Foxboro Regional Charter
Students Are Shooting Hoops To Save Lives!!!
Thursday March 25th, 2010 3:00pm-4:15pm**

Dear Parent/Guardian:

Our school is again teaming up with the American Heart Association and joining the fight against heart disease and stroke. **Hoops for Heart** raises money for heart disease research and helps students learn the importance of physical activity and a healthy heart.

Unfortunately, heart disease and stroke are the #1 and #3 killers in America today. **Do you know someone who has been affected by heart disease, stroke, or other heart related illnesses? Or perhaps someone who has benefited from the research funded by the American Heart Association?**

Family and friends are welcome to support your child's volunteer efforts by making contributions. Your child has been given a collection envelope for that purpose. It has become increasingly apparent that many of us are feeling the effects of these uncertain economic times. Fundraising is an optional part of this program. Any donations made are much appreciated and will be allocated to things like future research discoveries.

For those that do choose to donate funds, the details are as follows: Checks for all donations should be made payable to the **American Heart Association**. As a 501© status non-profit organization, donations are tax deductible.

Your child can even raise funds on-line! *Step by step instructions about our **simple** on-line donation program are provided on the envelope.*

Students who collect donations can receive the thank you gifts shown on the envelope. Our school also has the chance to earn **physical education equipment** to help keep the students active!!

If your employer has a **matching gift program**, please indicate the matched amounts on the collection envelope and include the completed form provided by your employer or HR Department. The American Heart Association will take care of the rest.

Please support this worthwhile community service project. If you have questions, please reach out to me.

Sincerely,
Eric Shaw
Physical Education Teacher

P.S If you would like to volunteer for this event, or have any questions please email me @ eshaw@foxbroughrcs.org

Students Are Jumping Rope To Save Lives!!!
March 18th, 2010 3:00pm-4:15pm**

Dear Parent/Guardian:

Our school is again teaming up with the American Heart Association and joining the fight against heart disease and stroke. ***Jump Rope For Heart*** raises money for heart disease research and helps students learn the importance of physical activity and a healthy heart.

Unfortunately, heart disease and stroke are the #1 and #3 killers in America today. **Do you know someone who has been affected by heart disease, stroke, or other heart related illnesses? Or perhaps someone who has benefited from the research funded by the American Heart Association?**

Family and friends are welcome to support your child's volunteer efforts by making contributions. Your child has been given a collection envelope for that purpose. Checks for all donations should be made payable to the **American Heart Association**. As a 501© status non-profit organization, donations are tax deductible.

Your child can even raise funds on-line! *Step by step instructions about our **simple** on-line donation program are provided on the envelope.*

It has become increasingly apparent that many of us are feeling the effects of these uncertain economic times. Fundraising is an optional part of this program. Any donations made are much appreciated and will be allocated to things like future research discoveries.

All students will receive a certificate & sticker and those who collect donations can receive the thank you gifts shown on the envelope. Our school also has the chance to earn **physical education equipment** to help keep the students active!!

If your employer has a **matching gift program**, please indicate the matched amounts on the collection envelope and include the completed form provided by your employer or HR Department. The American Heart Association will take care of the rest.

Please support our traditional event and this worthwhile community service project. If you have questions, please reach out to me.

Sincerely,

Eric Shaw
Physical Education Teacher
