

Advertise your business in the FRCS Student Directory

Each year, PIE compiles the FRCS Student Directory. This directory is available to all families of FRCS students - over 600 families. Business people are invited to advertise their business for a nominal fee. This can be a great opportunity for you to advertise your services to the FRCS community! All businesses can advertise. Each business ad will be placed in the Student Directory and also be in the student newsletter at least twice during the school the year. Due to privacy issues, only the families of FRCS students are able to access the student directory. Outside businesses will receive a copy of their advertisement from the directory.

To be included, all you have to do is:

- 1) Fill out the requested information below,
- 2) Include your business card to placed in the directory,
- 3) Make out a check for \$30.00 to Parents In Education (PIE), and
- 4) Sign the form and return to school marked "PIE – Student Directory"

Deadline for submission is September 19, 2008
