

Foxborough Regional Charter School Term One (September through December) Volunteer Opportunities

Below is a partial list of volunteer opportunities we have at the school for term one. Please put a check mark next to the opportunity you wish to volunteer for and we will contact you as the opportunity nears to facilitate availability scheduling. *Checking a box does not obligate you to helping with that activity. However, if you do not indicate an interest, the chairperson will not know to contact you with updates.*

If the volunteer opportunity requires a day or time you will be available to help, please enter them on the line provided. If you are available any day or time, please enter 'Any" on the line and someone will contact you to schedule the event.

Most events require little preparation, some require more. Approx. hours are listed in parenthesis next to the opportunity. If you wish to chair or co-chair an event, please note that on the volunteer form! We always welcome additional help!

Please visit the PIE website for more news/events at the school at www.edline.com and the FRCS website at www.foxboroughrcs.org

Thank you in advance for helping to make your children's school a better place to learn and grow!
