## From the Executive Director

Dear Community Members,

Foxborough Regional Charter School is a distinguished leader in public education with over 1,600 students in grades K-12! This year, we're excited to be marking a major milestone — its our 20th Anniversary!

One of the charges of a charter school is to offer education in creative and innovative ways to close the achievement gap. I am proud to report that we are making great strides toward reaching our goals. We are leveling the playing field for all children to succeed to the best of their ability and challenging each student to meet their full potential in preparing for college and career.

We ask that you take the time to consider one of the sponsorship opportunities that best fits your commitment to FRCS and register to play, volunteer, or donate an item for the raffle.

We thank you for your support and sincerely hope that you will join us for a day of fun, sun, and golf for this worthwhile cause.

Sincerely,

*Dr. Mark Logan*

Executive Director
